GENERAL ENGLISH COURSE

FULL TIME OR PART TIME

A full or part-time course to improve English language skills

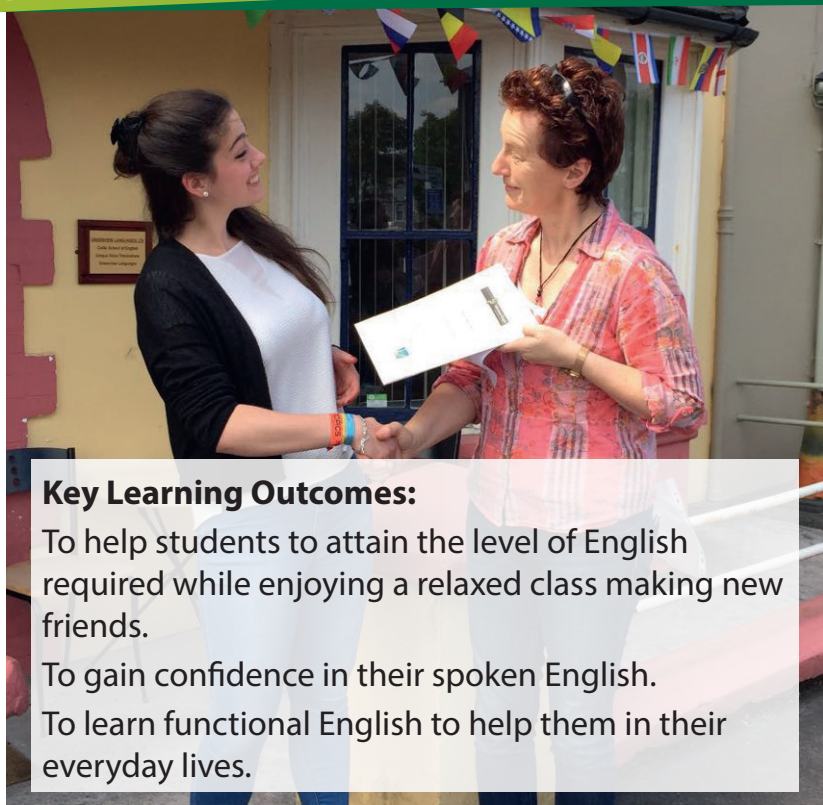

Our General English course is designed to cover all aspects of English language learning including all sub-skills to aid learning. The classes are very practical but also fun and engaging. Classes are held both in the morning or evening. All skills (listening, speaking, reading and writing) are taught with special concentration given to a different skill each day.

For students who do not have the time for a full-time course, they can attend an evening English class which concentrates on fluency - speaking skills and everyday English

Students learn in small classes (up to 8 students)

Business English and Exam English classes are run depending on the number of students either in a group or in an individual class.

Private Individual classes can be arranged at a time to suit the student.

Key Learning Outcomes:

To help students to attain the level of English required while enjoying a relaxed class making new friends.

To gain confidence in their spoken English.

To learn functional English to help them in their everyday lives.

When: All year round
Level: All levels

Age: 17+
